## **FACILITY INFORMATION**

### **MAP OF THE HORSE COMPLEX**

If it is your first time to the Hunt Horse Complex, you might want to take a look at this [aerial map of the facility](#) so you are familiar with the location of the barns, rings and entrance gate and stall and show offices.

### **PARKING AND SAFETY AT THE HORSE COMPLEX**

**NEW FAIRGROUNDS RULE FOR 2017:** No trailers or campers will be allowed to park and set up next to the barns. With campers/trailers parked next to the barns, there is not enough access for emergency vehicles to pass unobstructed in the event of an emergency. This is a violation of fire code. There are no changes to open trailer/ camper parking. Thank you for your cooperation as the NC State Fair-grounds implements this new plan for the safety of all.

Please be mindful of securing all valuables during the show. Over the past year, there have been instances of theft occurring from the stall area. Thieves have even stolen items from cars that they were able to unlock by finding keys lying around stalls. If your group is going to leave your stall area for any length of time, please lock up your items in tack stalls. Better safe than sorry!

### **DINING AT THE HORSE COMPLEX**

The Hunt Horse Complex has completed the renovation project and the dining room, restrooms and offices are open. However, there is still not a restaurant housed in the cafeteria. There will be food trucks parked in the areas around and between the main and covered arenas. Food vendors that have confirmed their attendance are: Gobbling Gourmet, Perks With A Twist, Woodfire Pizza, Big Mikes BBQ.
