Re: 4-H Horse Program Assessment

Dear 4-H Parent/Guardian,

As the guardian adult of a current NC 4-H Horse Program participant, I am requesting your assistance in the completion of an anonymous online web-based survey to assist the Extension Horse Husbandry office in the assessment of the current state of the NC 4-H Horse Program.

You are being asked to complete this survey to help us better understand the current areas of strengths and weaknesses of the 4-H Horse Program and how well the program is currently meeting program goals. This will assist us with program development moving forward into the next few years.

Please be as honest with us as possible and answer all applicable questions to the best of your knowledge. You should be able to complete the survey in about fifteen minutes.

Your participation in this survey is entirely voluntary and results will remain confidential. This data will not be published or shared and will simply be used to allow us to assess the current state of our program. If, at any point, you decide that you do not want to complete the survey, you may simply exit the website and survey results will not be submitted. In no way will your 4-H good standing be affected if you decide not to participate.

We hope that you will participate in this survey, as your input will help the NC 4-H Horse Program continue to improve. If you have any questions or concerns about this survey or your participation, please contact Alaina at the below info:

Office phone: 919-515-7871

Email: Alaina.Cross@ncsu.edu

Thanks in advance for your help with this project,

Alaina Cross
NCSU Equine Extension Associate
