I understand that the determination of my child's ability to participate in the Program should be made by my child's physician if necessary, including being found by such physician to be in good health and fully able to perform all activities associated with the Program. I understand that I need the approval of a physician if I am uncertain as to his/her physical fitness for the rigors of this Program. I understand that I may be required to seek approval from a physician if there is a health or safety question relative to my child's condition before being allowed to participate in the Program. In addition, I give permission to any doctor, hospital, or other medical facility to release confidentially to the treating physician(s) for my child any information they may have concerning my medical condition(s) and their professional contact with him/her for treatment purposes.
