# NC STATE 4-H HORSE EDUCATIONAL CONTESTS

## Sponsorship Request

Dear Potential Sponsor:

Plans are in progress for the 2021 NC State 4-H Horse Program Educational Events. There are six different Horse Educational Events that are offered through our program for cloverbuds, juniors, and seniors. The program activities are designed to use the horse as an educational tool to help develop youth leadership abilities, build character, and assume citizenship responsibilities. These events provide dedicated, hard-working youth with an opportunity to demonstrate a variety of skills and talents while promoting good sportsmanship and teamwork in a friendly, competitive atmosphere. Annually, approximately 600 youth participate in these events.

Senior 4-H members who are state winners of these events are invited to try out for the prestigious honor of representing the NC 4-H Horse Program at various Regional, National, and World Championship level competitions. Preparation for, travel to, and participation in these events can be a life changing opportunity for a 4-H member. Our program has long held that participation in these events are designed to truly make the best better by building critical life skills in the areas of teamwork, communication, goal-setting, and hard work in a competitive and encouraging environment.

Now more than ever, we need sponsors like you to help support these events to ensure the growth of NC 4-H Horse Program Educational Events so that our youth will have access to the opportunities they offer for years to come. We greatly appreciate your generosity and would like to offer some recognition for you as well. Please see the forms on the following pages to learn about becoming a sponsor of the NC State 4-H Horse Program Educational Events. Let's make the best better together!

**Thank you for considering our request!**
