

The physical address for Riddick Hall is 2401 Katharine Stinson Drive, Raleigh, NC 27695. The red star is the end of the building where there is a double set of doors that will be unlocked (the only doors that will be open on Saturday and Sunday). See the pink highlighted routes above as your two options for accessing campus/Riddick Hall. There are a couple of road closures, so the routes shown above are what will be open for car traffic. Behind Riddick Hall (highlighted green) is a small parking lot that can be used if you do not find on street parking.

### **Route 1: Hillsborough to Pullen Road**

You will access campus by taking Pullen Road (from Hillsborough Street or Western Blvd.) and turning onto Katharine Stinson Drive via a round-a-bout. Once on Stinson Drive, pass the information booth and parking is available along the street, in front of Riddick and also along Broughton Drive.

### **Route 2: Hillsborough to Dan Allen to Yarbrough Drive**

From Dan Allen Drive, turn onto Yarbrough Drive (this is the lower route on the map). Yarbrough Drive will take you to the backside of Riddick where you can access the lot, or follow the street up the side of Riddick and then onto Stinson Drive.
